REGULAR MEETING

Welcome and Pledge of Allegiance

Dan Morris welcomed members of the taskforce and led the Pledge of Allegiance.

Minutes from November 16, 2020 Meeting approved

Jen VanMeer motioned to approve minutes, Jay Reiss seconded the motion to approve the minutes after correction of 'photo booth' to 'phone booth.' The motion passed unanimously.

Goals & Objectives

Scenic Byway Signage

Brandie Lincoln called in via phone to update the Taskforce on information she'd gathered regarding Scenic Byway Signage. A Scenic Byway committee will need to be established before funding could take place. Discussion that members from the Economic Taskforce will comprise the committee.

**Sandra McKee to put the forming of that committee on the agenda for the next Economic Taskforce meeting

Hunter's Inn

Ben Warren has received four phone calls from persons interested in buying the property. Owner is not communicating with the bank. This matter is at a stand still awaiting the owner or bank to move forward.

Planning and Zoning Issues

Sandra McKee met with Lyndon Haynes. Lyndon agrees changes need to be made but the county needs to come up with an alternate plan before changes are made. Based on their discussion, Sandra expects Planning and Zoning will remain in place.

RE Robert Bumgarner's former property, because the property is in the city impact zone, the CAFO doesn't apply, the property can be split but must still go through the rezoning and subdivision process.

SREDA Central Oregon Show

SREDA is willing to display area merchandise we send with them at their show in March.

**Brandie to contact Deidre Rountree about designing a 'Rack Card' highlighting the Cambridge area, and will bring a mock-up of the design to the next meeting.

Phone Booth

Out of concern of vandalism, the phone booth located in front of Hunter's Inn needs to be moved.

**Jen VanMeer to contact Shane Newton regarding storing it in his shop
